The site will be open to exhibitors from 13:00 on Friday 29th July. Exhibitors must vacate the site by 12:00 on Monday 1st August.

Vehicles on display must be parked in the area designated for it by the show management.

Exhibitor caravans and tents must be sited in and remain within the pitch designated by the show management in order to comply with fire safety regulations.

When in the arena vehicles may use audible visual and warning devices. Any vehicles **MUST** be driven at a pace that is suitable to the conditions and shows the professional nature of emergency vehicle drivers. Excessive speed is not permitted and will result in the driver/vehicle taking no further part in the display(s)
